4W, idle  
13W or less, printing

#### TEMPERATURE

14°- 113°F (-10° to 45°C)

#### HUMIDITY

10% to 90% (without condensation)

#### DIMENSIONS

6.70"W x 9.2"H x 4.5"D (170W x 233H x 115D mm)

#### CLOCK SYSTEM

Liquid Crystal Display (date, hours, minutes)

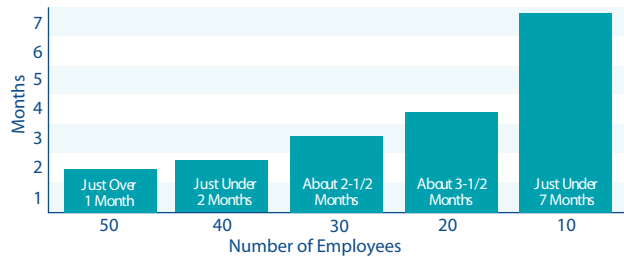

#### WEIGHT

2.5 Kg (5.5 lbs.)

#### MEMORY

Clock and programming data stored for up to 3 years without AC power.

### Fast Payback for Your MRX-35 Investment\*

\*Calculations based on average losses due to incorrect time card calculations (based on 1% error factor) and average losses from manual payroll preparation errors (based on five minutes per card per employee at \$5.00 per hour; data from the American Payroll Association). Higher wages result in faster payback periods. Results may vary.
