

CTC-TR440d Time Recorder

The heavy duty TR440d time recorder has the durability demanded by a large business and the ease of use desired by a small business purchasing their first payroll time clock. Automatic card feed and alignment helps prevent accidental over punching and the easy to audit time card layout makes the time card review simple. A large digital display is easy to read from a distance.

HEAVY DUTY - INDUSTRIAL QUALITY (Amano EX-9000 replacement)
AUTOMATICALLY PRINTS IN THE PROPER SPACE WITHOUT MANUALLY LINING UP THE TIME CARD

With a built-in battery backup, automatic daylight savings time adjustment, perpetual calendar & synchronized display, the CTC-TR440d will always have the correct time!
